

The **Laity for Mercy** embraces our Holy Father's call to the New Evangelization through this original presentation that has traveled internationally for over a decade. Personally blessed in 1996 in a private audience by John Paul II, the ministry offers hope and healing for everyone.

Illuminated life size images, a darkened church or hall and inspiring music reveal the message of these icons in a prayerful and powerful way. You will witness our discovery of the face in the original Divine Mercy image and the face in the Holy Shroud being an identical match. The presentation can be geared to a variety of groups and parish needs, from 60 to 90 minutes.

Our team is self-equipped requiring only a couple of tables and promotional efforts from your staff. We provide bulletin inserts and flyers for your convenience.

We are a Lay Apostolate founded in 1993 involving people in prayer, especially for the end to abortion as we promote the message and healing of The Divine Mercy for everyone but especially for those who have been affected by this and all sin. We work to enlighten people to the understanding of the gift and purpose for all human life, which is in the building of the kingdom of *Life's* Creator, God. We accomplish this through the distribution of these sacred images of Jesus and the Virgin Mary utilizing an audio/visual presentation to explain the message of these icons and the power of their silent witness.

THREE SACRED ICONS

And the power of their silent witness.

Opening hearts to an understanding of:

The Eucharist

Adoration

Healing

Mercy

Jesus, I Trust in You!

"By means of this image, I shall be granting many graces to souls, so let every soul have access to it." (Diary, St. Faustina, Entry #570)

*"The light of the Gospel of Christ will illuminate the entire world by means of the miraculous Image of His Mother."
(Pope John Paul II)*

Hope

Prayer

Our Lady of Guadalupe

Merit of Suffering

Reconciliation

*"O' Lord of hosts restore us: Let Your face Shine upon us, that we may be saved."
(Psalm 80 vs. 4, 8, 20)*
